Charger Adapter of Viavi OTDR

Variants

MTS 4000 MTS 6000

Details

The **VIAVI MTS Series Charger Adapter** is a high-quality AC/DC power supply designed for VIAVI OTDR platforms including the **MTS-4000** and **MTS-6000** series. It provides stable and reliable power for battery charging and continuous OTDR operation during fiber optic testing, network commissioning, troubleshooting, and maintenance activities.

Designed for professional telecom engineers, ISP technicians, and fiber optic maintenance teams, this adapter delivers safe and efficient performance in both laboratory and field environments.

Compatible Models

MTS-4000 / 6000

Input Voltage

100~240V AC

Protection

OVP / OCP

Warranty

3 Months

Key Features

? Compatible with VIAVI MTS-4000 & MTS-6000 Series

? Stable AC/DC Power Conversion

? Supports Battery Charging & Direct Device Operation

? Over Voltage Protection (OVP)

? Over Current Protection (OCP)

? Short Circuit Protection

? Durable Industrial Design

? Suitable for Indoor & Outdoor Field Operations

Technical Specifications

Category	Specification
Product Name	Charger Adapter for VIAVI OTDR

Category	Specification
Compatible Models	VIAVI MTS-4000 / MTS-6000 Series
Product Type	AC/DC Power Adapter
Application	Battery Charging & OTDR Power Supply
Input Voltage	100V – 240V AC, 50/60Hz
Output Voltage	Compatible with VIAVI MTS Series Requirements
Power Supply Type	External AC/DC Adapter
Protection Features	Over Voltage, Over Current & Short Circuit Protection
Build Quality	Industrial Grade Construction
Usage Environment	Indoor & Field Operations
Warranty	3 Months

Applications

OTDR Testing

D-TECH Service & Spare Parts Support

D-TECH supplies charger adapters, batteries, touch screens, LCDs, fiber holders, electrodes, and spare parts for OTDR and Fusion Splicer equipment. We also provide professional repair services for VIAVI, COMWAY, Fujikura, INNO, Sumitomo, Tumtec, FiberFox, UCL Swift, and many other brands.

Important: Please verify the required output voltage, output current, and DC connector size of your VIAVI MTS-4000 or MTS-6000 before ordering to ensure full compatibility.
