

Electrode of Tumtec

Electrode of Tumtec

Variants

All Series.

Details

Tumtec Fusion Splicer Electrode

Category	Specification
Product Type	Fusion Splicer Electrode
Brand Compatibility	Tumtec Fusion Splicers
Material	High-Quality Ceramic
Function	Arc Generation for Fiber Splicing
Lifespan	3,000 – 5,000 Arc Discharges
Compatibility	Model-Specific (Various Tumtec Models)
Installation	Easy Replacement (Tool-Free / Quick Fit)

Category	Specification
Performance	Stable Arc, Low Splice Loss
Application	Optical Fiber Fusion Splicing
