

# Avago Series POF Patch Cord HFBR4531-4533

---

## Variants

3M 5M

## Details

### Product Description

AVAGO Series POF Patch Cord delivers low-loss, high-speed data transmission with strong resistance to electromagnetic interference, ideal for short-distance communication

### Key Features

High data rate  
Flexible & easy installation EMI resistance  
Durable & reliable

### Applications

Industrial automation, Automotive electronics, Medical equipment Security & surveillance Railway & transportation
