Details

AVAGO Series POF Patch Cord (HFBR4531-4533)

Category	Specification
Product Type	POF (Plastic Optical Fiber) Patch Cord
Model	HFBR4531 / HFBR4533
Fiber Type	Plastic Optical Fiber (POF)
Application	Short-distance Optical Communication
Transmission Type	Optical (EMI Immune)
Data Rate	High-speed data transmission
Distance	Short-range applications

Category	Specification
Connector Type	AVAGO HFBR Series
Installation	Flexible & Easy
Cable Structure	Durable Polymer Fiber
EMI Resistance	High (Immune to electromagnetic interference)
Reliability	High durability and stable performance
Environment	Suitable for industrial and harsh environments
