

TG MCB ABS BG-ABS-2

TG MCB ABS BG-ABS-2

Variants

BG-ABS-2

Details

Application

- Re-settable operation
- Compatibility with any make conventional fire alarm system
- Wall mount facility
- At normal Green-LED blinking duration of 14 sec
- Steady glow of Red LED indicates the alarm condition
- Suitable for malls, restaurant, residential etc.

Technical Specification	
Operating Voltage	: 24V DC
Current Consumption (Normal/fire)	: 150mA/ 60mA@ 24 VDC

Application Temp range	: 0° C to + 60° C
Humidity	: 5 to 95% Relative Humidity (non condensing)
Housing	: ABS
Weight	: 80gm
Dimensions (mm)	: 100 x 93 x 33 (W x H x D)
Colour	: Red
